*Calculators may be used on Practice TCAP but not on STAR Math *STAR Early Literacy, STAR Reading, and STAR Math are the PSSD Universal Screeners. These are given at a minimum of three times annually to identify those students in need of additional support and those in need of extension. These results will be communicated within one week of completion through a Parent Report sent home with the student. *State Level Assessment Results (TN Ready) will be communicated home to parents within one week of receipt when school is in session. If school is not in session, the reports will be communicated within one week of school returning to session. *Teachers and administrators are available for any questions regarding assessments within the PSSD.

*****Testing dates are subject to change. *STAR EARLY Literacy/STAR Reading /STAR Math may be administered to students in grades 1-8 to gather additional information to address specific learning needs of individual students beyond the three scheduled times indicated above.
